

Loraine McFarland, Because Of Her

Verse 1

- Don't tell me she hasn't changed you
- When clearly it's obvious
- You use to be so fun and wild
- Now your way to serious □
- I'm not sorry
- For accusing
- Cause I see what's happening
- The truth hurts
- But it's worth it
- Maybe you will see

□ Chorus

- It's because of her
- You're not who you use to be
- I don't want revenge
- It's not cause of jealousy
- All I want
- All I want
- Is to have the old you back
- All I want
- All I want
- Is to have the old you back

□ Verse 2

- I have not even seen your smile
- Since that bitch brought you down
- We use to hang out all of the time
- Now you're never around
- What did she do
- You're not you
- I don't know what you can't see
- It's a shame that
- I'm the best you never had

□ Coda

- You could've had me
- Instead you ran to her
- So if you get hurt
- I guess it's what you deserve
- You could've had me
- Instead you ran to her
- So if you get hurt
- I guess it's what you deserve
