

Loraine McFarland, Forget About You

Verse 1

☐ I thought I could let you go
☐ But I was wrong
☐ You were my soul
☐ When I was giving up
☐ You let me in
☐ For all the time we were away
☐ I thought of you to this day
☐ I was lost and confused
☐ But now I know
☐

Chorus

☐ I can't be without you
☐ You're the one thing that was so true
☐ I wish I could tell you
☐ The things you want to tell me
☐ But were too scared
☐ It's not a lie it is there
☐ There is one thing I'll never do
☐ Is forget about you
☐

Verse 2

☐ When others were against me
☐ Telling me that you were so wrong
☐ I couldn't stand the pain of losing friends
☐ But I couldn't lose you also
