

# Loraine McFarland, Grandfather

## Verse 1

- can't forget the days we played so much
- You always had the special kind of touch
- You held me through the night when I was scared
- I keep wishing that you could still be here
- No one could have ever take your place
- You always brought a smile to my face
- Singing songs while i'll was swinging□
- Is a moment, I wont forget
- Since your gone I haven't swung yet

□

## Chorus

- Oh Grandfather
- Why'ed you have to go
- There so many things
- That I still don't know
- If you were still here
- Oh would I be this sad
- I don't think so
- Why'ed you have to go

□

## Verse 2

- Since you've been gone
- Grandma ain't the same
- She's been hurting
- But I never see her cry
- I can't imagine losing someone like you
- So strong
- And so true

□

## Coda

- Ooh, why'ed you have to leave?
