

Loraine McFarland, I Don't Care

Verse 1

- Why do you play
- Me like a fool
- Your playing around with my heart
- Joking that is so cruel
- My feelings
- Are not a toy
- Don't tell me one thing
- Then take it back again
- I don't know why
- I don't know why

□ Chorus

- Why are you
- Acting this way to me
- Now I don't care □
- It's there ever you and me
- I'm just so sick
- And I am so tired of hearing
- I'm sorry

□ Verse 2

- I have to stop
- Hurting myself
- Over you cause you
- Can't even find yourself
- But then again
- I question why
- And wonder what could be
- I guess it was just lies
- I don't know why
- I don't know why
