

# Loraine McFarland, I'll Never Know

## Verse 1

All I can do  
 Is think back to the days  
 When the one I wanted, wanted me  
 But now that's gone away  
 We have faded  
 Now we don't exist  
 All I've got left  
 Is the scar from your kiss  
 I gave my heart to you  
 And in return  
 You shattered into two  
  
 Chorus  
 I guess I'll never know  
 What could've been  
 We could've had so much  
 It's a shame you ended it  
 My dreams have turned to nightmares  
 My love for you died  
 And it's all your fault  
 I am this way today  
 Don't feel sorry for me

## Verse 2

I was just blinded  
 Believed everything you said  
 Over and over I'd keep falling for you once again  
 I couldn't help myself  
 I fell for all your lies  
 I guess I had to get hurt  
 To open my eyes  
 So if you're listening  
 It makes sick to think what could've been

## Coda

Everything's cool now  
 I got someone, I got someone  
 Everything's cool now  
 Oh my life is good  
 I've got more than anyone should  
 Oh my life is good  
 And you're just in my past  
 I guess I'll never know  
 What could've been  
 We could've had so much  
 I got the last laugh in the end  
 I finally found someone else  
 Who has taken your place  
 And it's his fault  
 A smile on my face  
 He loves me for me  
 Yeah he loves me  
 Yeah he loves me for me  
 I guess I guess I guess  
 I won't know  
 I guess it's supposed to be  
 That way
