

Loraine McFarland, Moving On

Verse 1

- Times have been so hard
- Eyes began to cry
- My past is still within in me
- Won't forget it
- The time I spent
- Holding my head
- It's my time to shine
- I'm feeling fine
- I'm moving on in life
-

Chorus

- Moving On
- Living life
- Letting go
- Moving on
- Times have changed
- Well so have I
- I've had it rough
- But now I trust
- To live my life right
- And all i've got to do
- Is to move on
-

Verse 2

- There were times I felt so low
- As low as you can go
- My papa can't help me
- I'm on my own
- No one to help me
- Surrounding me
- I'm not afraid to stand up and say
- I will love me
