

# Loraine McFarland, My Girls

## Verse 1

- No where to go
- Just getting dressed up
- Calling my girls
- To come over
- Were just chilling
- And spreading rumors
- About some bitch who thinks she all that
- What would I do if I didn't have them
- Who would I bug about Miss Striesand
- 

## Chorus

- My girls are the best
- No one has friends like this
- We talk about boys and are life
- Just a few things we do
- You wish you could be one of my girls
- 

## Verse 2

- Hello gorgeous
- Thats how I greet them
- We throw each other partys
- Telling secrets about who likes who
- Shopping till we drop that is our life
- Never looking at a single price tag
- Being ditzy is alright with me cause
- 

## Coda

- My girls are the best
- No one has friends like this
- We talk about boys and are life
- Just a few things we do
- You wish you could be one of my girls
- Wish you could be one..... of my girls
- You wish you could be one of my girls
- Wish you could
- My girls....
- You wish you could be one of my girls
- Ooh!
