

Lorraine McFarland, The Way It Should Be

Verse 1

- Racing round as time stands still
- Having everything you want
- Baby thats the deal
- Thats the deal
- Having a place thats yours
- Some place to keep the past
- A place to raise some kids
- And whats wrong with that
- Wrong with that
- Maybe it'll come easy
- Like having the abiltiy being able to breath
- Living the high life
- Loving the low life
- Being where you know your suppose to be

Chorus

- Cause thats the way it should always be
- Never worrying about nothing
- Letting go and living free
- Being guilty of too much love
- No secrets kept inside
- Living happily
- The way it should be

Verse 2

- I wanna be star of my kids show
- I wanna family that they will know
- They will know
- Never feeling sad about what they should have had
- Having idols and living free
- Living free
- Maybe it'll come easy
- Like having the abiltiy being able to breath
- Living the high life
- Loving the low life
- Being where you know your suppose to be

Coda

- The way it should be
- Cause thats the way it should always be
- Never worrying about nothing
- Letting go and living free
- Being guilty of too much love
- No secrets kept inside
- Living happily
- The way it should be
