

LORD, Changing my life (feat. TYLA DURDEN)

1. I wish that I could fly away
high away from the pain
I wish that I could fly away
someday

You know how much I love you
I just can't get enough
You know how much I need you
You're all I'm dreaming of

REFREN:

Tonight, tonight
I'm changing my life
Tonight, tonight
we'll make it right
Tonight, tonight
I'm changing my life
changing life
changing life
changing life

2. Sometimes your life can fade away
fade away in the rain
I hope we'll find a better way
one day

You know how much I love you
I just can't get enough
You know how much I need you
You're all I'm dreaming of

REFREN:

Tonight, tonight
I'm changing my life
Tonight, tonight
we'll make it right
Tonight, tonight
I'm changing my life
changing life
changing life
changing life

Bridge:

I wish that we could try, try
once more
With you it feels like one, one
not two
I wish that we could try, try
once more
With you it feels like one, one

REFREN:

Tonight, tonight
I'm changing my life
Tonight, tonight
we'll make it right
Tonight, tonight
I'm changing my life
changing life
changing life
changing life
