

LORDE, Liability

Baby, really hurt me
Crying in the taxi
Ho don't wanna know me
Says, he made the big mistake dancing in my storm
Says, it was poisom
So, I guess, I'll go home
Into the arms of the girl, that I love
The only love I heaven;t screw up
She is so hard to please, but she is a forest fire
I do my best to meet her demands
Play at romance
We slow dance in the living room
But all that a stranger would see is one girl swaying alone
Stroking her cheek

They say, you're a little much for me
You're a liability
You're a little much for me
So they pull back
Make other plans
I understand, I'm a liability
Get you wild
Make you leave
I'm a little much for ea..a...nanana, everyone

the truth is I'm a toy that people enjoy
till all of the tricks don't work anymore
and then they are bored of me
I know that it's exciting – running through the bight
But every perfect summer is eating me alive until you're gone
Better on my own

They say, you're a little much for me
You're a liability
You're a little much for me
So they pull back
Make other plans
I understand, I'm a liability
Get you wild
Make you leave
I'm a little much for ea..a...nanana, everyone

They're gonna watch me
Disappear into the Sun
