

Lordi, Would You Love a Monsterman?

Fire at will - yeah I would kill
yeah I would freeze all hell over
just to get a chill
yeah I would stay
yeah I would maim
yeah I would vanish in thin air
and reappear again

be right in the squares
yeah I would be sincere
yeh a would lie, yeh I would lie
yeah I would be there
waking up the dead to get a thrill
I say yeah - I say yeah

Would you love a monsterman?
could you understand
the beauty of the beast?
I would do it all for you
would you do it all
do it all for me

Take you time - you'll be fine
yeah there is nothing wrong with this
you ain't committing crime
you on't know why
it passed you by
you searching for something
never found along these lines

someday you may
turn around and terrify
you can't deny - you crucify
would you get down in the gutter
swallowing your pride
I say yeah - I say yeah

all that you get is less
than you deserve
leaving for now
someday I may return
