

# Lords Of The New Church, Russian Roulette

(T. James/Chimes)

I'm on a helicopter ride through Vietnam. I'm the Leicester Square  
kid I'm superman. I'm putting weight for the Oscar. Man gonna  
get through anyway I can. Everywhere everyone is red and green.  
I gotta lust for glory and a tape machine. I'm living out Frank  
Coppola's dreams. Outta my mind I'm feelin' mean. I'm Nuremberg  
Stepper blowin' wets away. I gotta headful of Hendrix, I'm feelin'  
OK. I'm a late night thriller, I'm miss La Ray. Outta my mind  
can I come to play?  
Hey hey hey we're in the movie. I feel up and I feel groovy.  
Let's go out and get some of that. Gimme gimme gimme some Russian  
Roulette. La la la.... I said hey.
