

Loretta Lynn, Before The Next Teardrop Falls

(Ben Peters - Vivian Keith)

If she brings you happiness then I wish you both the best
It's your happiness that matters most of all
But if she ever breaks your heart if the teardrops ever start
I'll be there before the next teardrop falls
Though it hurts to let you go darling I want you to know
Then I'll stand by you if ever you should call
And if I should ever hear that she made you shed a tear
I'll be there before the next teardrop falls
I'll be there anytime you need me by your side
To dry away every teardrop that you cried
And if he ever leaves you blue ah just remember I love you
And I'll be there before the next teardrop falls
I'll be there before the next teardrop falls
