

Loretta Lynn, Blue Kentucky Girl

(Johnny Mullins)

You left me for the bright lights of the town a country boy sat out to see the world
Remember when those city lights shine down
That big old moon shines on your Kentucky girl
I swear I love you by the moon above you how bright is it shinin' in your world
Some mornings when you wake up all alone
Just come on home to your blue Kentucky girl

[banjo]

Don't waste to bring great riches home to me I need no diamond rings or fancy pearls
Just bring yourself you're all I'll ever need
That's good enough for this blue Kentucky girl
I swear I love you by stars...
