Loretta Lynn, If You Love Me (Let Me Know)

(John Rostill)

You came when I was happy in your sunshine
I grew to love you more each passing day
Before too long I built my world around you
And I prayed you'd love enough of me to stay
If you love me let me know if you don't then let me go
I can't take another minute of the day without you in it
If you love me let it be if you don't then set me free
Take the chains away that keep me loving you
[steel]
The arms that open wide to hold me closer
The hands that run their fingers through my hair
The smile that says hello it's good to see you
Anytime I turn around to find you there
It's this and so much more that makes me love you
What else can I do to make you see
You know you have whatever's mine to give you
But a love affair for one can never be
If you love me let me know...
[steel]
Take the chains away that keep me loving you
