

Loretta Lynn, Loose Talk

(Freddie Hart - Ann Lucas)

So long we've been married last burden we've carried
Though fate kept us humble and made our love true
But plans that we'd make up someone seems to break up
Oh darling what else can we do
We may have to leave here to find piece of mind dear
Some place where we can live a life all our own
I know you love me and happy we could be if some folks would leave us alone

[ac.guitar]

They say you are leavin' that you are deceivin'
But you tell me they say the same about me
But we'll show them there on that loose talk and do harm
And hope that's the truth they will see
We may have to leave here...

[steel]

When I go out walkin' there's lots of loose talkin'
They say we're unhappy and we'll break apart
But darling that's not true because I still love you and I do with all of my heart
We may have to leave here...
