

Loretta Lynn, Today I Started Loving You Again

(Merle Haggard - Bonnie Owens)

Today I started loving you again I'm right back where I've really always been
I've got over you just long enough to let my heartaches mend
Today I started loving you again

What a fool I was to think I could get by with only these few million tears I've cried
I should have known the worst was yet to come and cryin' time for me had just begun
So today I started loving...
Yes today I started loving you again
