

# Loretta Lynn, Where Were You

(Loretta Lynn)

(Where were you where were you)

Where were you when you left my heart alone

And the nights you didn't bother to come home

Now you say my love's grown cold I guess it's true

But when loneliness within where were you

Where were you when we lost the love we had

When I wanted you and needed you so bad

Now you're blaming me for things I didn't do

All the nights I spent a crying where were you

The lonely hours were just too much for me with only tears to keep me company

That's what destroyed the love that we once knew

Stop and think when it happened where were you

[ steel ]

The lonely hours were just too much...
