

# Loretta Lynn, World Of Forgotten People

(Loretta Lynn)

I live in the world world of forgotten people  
Who've loved and lost their hearts so many times  
I'm here in the world world of forgotten people  
Where every heart is aching just like mine

Well I've loved and I'd been loved but I had the reckless heart  
And the many dreams I had are torn apart  
Now I find out I was loved too late I'm all alone alone in the world of broken heart  
I live in the world...
