

# Lori Carson, Snow Come Down

I think you feel, the way I feel  
Though you don't want to say  
I think you feel, the way I feel  
Though it's not the easy way

Wouldn't you like to be with me  
Watching the snow come down  
Watching the snow come down  
Watching the snow....

I don't want to cause you any pain  
I just want to love you  
I don't want to fuck up anything  
I just want to love you  
And, I know you think I'm kinda strange  
I just want to love you  
I just want to love you  
I just want to love you  
I just want to love you

Everytime I see your face  
I can hardly breathe  
Everytime I see your face  
I feel stupid and happy

Wouldn't you like to be with me  
Watching the snow come down  
Watching the snow come down  
Watching the snow....

I don't want to cause you any pain  
I just want to love you  
I don't want to fuck up anything  
I just want to love you  
And, I know you think I'm kinda strange  
I just want to love you  
I just want to love you  
I just want to love you  
I just want to love you

I'd sure like to be with you  
Watching the snow come down  
Watching the snow come down  
Watching the snow....

I don't want to cause you any pain  
I'd give you the world  
I don't want to fuck up anything  
I wanna be your girl  
And, I know you think I'm kinda strange  
I just want to love you  
I just want to love you  
I just want to love you  
I just want to love you....

Ahhh---Watching the snow come down  
Watching the snow come down  
Watching the snow...
