

# Lori McKenna, As I Am

Well the sky might fall and I&#039;m Chicken Little yelling  
While I am floating out to sea  
Well I am tugging at your ear for some attention  
Don&#039;t you give a damn about me?

I&#039;ll be the first to say there&#039;s a child inside my body  
Can&#039;t pay the bills but I can spend  
Will you love me when I am torn and terrible?  
Will you even know me then?

I am a lion, I am lamb  
Will you love me as I am?  
As I am

Well the earth is shaking right below your feet you know  
&#039;Cause I am crawling underground  
Say you love me, you can tell and I will show  
Don&#039;t you even know what you&#039;ve found?

I am a lion, I am lamb  
Will you love me as I am?  
As I am

Well you can take or you can leave me  
I am not God so don&#039;t believe me  
Tell me how you&#039;d like to need me  
Love is all  
Love is all

Will you love me for what is right before you?  
What you see is what you get  
Well I am growing old and life may be downhill  
Don&#039;t think I haven&#039;t reached my potential yet

I am a lion, I am lamb  
Will you love me as I...  
As I am  
As I am
