

# Lori McKenna, Girl Like Me

Would you sell your soul for someone just to talk to  
Would you close your eyes if I told you not to look  
I don't deserve a single thing I want so Take it for granted, what's gone&am

Someone hurt you and I'm sorry that you're lonely  
But if you were everything you promised you would be  
You wouldn't be in a place like this with a girl like me

If you were everything you promised you would stand by  
If you were half the qualities you boast  
You're the one in love so tell me why do I cry  
You're the one in love but I need you the most

Someone hurt you and I'm sorry that you're lonely  
But if you were everything you promised you would be  
You wouldn't be in a place like this with a girl like me  
With a girl like me

So the moon only turns in circles  
My heart only beats so fast  
My heart, my soul

So I am your "I told you you'll be sorry,"  
If only I could be your sacrificial lamb  
Well, if you're looking for blood from a stone, baby  
I'll tell you one thing, that's exactly what I am

You stand there and tell me I'm not worthy  
For every little idiosyncrasy  
The world turns just to make you happy If you were half the man you promised you would be  
You wouldn't be with me  
With a girl like me  
With a girl like me
