

Lorrie Morgan, 10,000 Angels

Speakin of the devil
Look who just walked in
He knew just where to find me
here we go agian
I can tell he's gonna ask me to dance but that's not as far as he wants to go
I need 10,000 (ten thousand) angels to help me tell him no

Chorus:

Lead me not into temptation
heavan help me to be strong
I can fight all that I'm feeling
but i can't do it alone
help me break this spell that i'm under
guide my feet and hold me tight
i need 10,000 angels watchin over me tonight

it's time to face my weakness
'n' look him in the eye
lord knows it wont be easy
but i've just gotta try
i can't let myself get lost in his arms that's how i got my heart broke before
i need 10,000 angels to walk me out the door

(chorus)

10,000 angels
watchin over me tonight
