

# Los Lobos, Alone In A Crowd

(John Genzale)

[From "I Only Wrote This Song For You: A Tribute To Johnny Thunders"]

You're talkin'  
You're talkin' to me  
I ain't listenin'  
Don't bother me  
I'm alone, even with you  
I'm alone, so what do I do?

You're tellin'  
You're tellin' me  
You want diamonds  
Don't bother me  
I'm alone, even with you  
I'm alone, so what do I do?

Alone in a crowd, alone in a crowd  
Alone in a crowd, alone in a crowd  
Alone in a crowd, alone in a crowd  
Alone in a

You're talkin'  
You're talkin' to me  
I ain't listenin'  
Don't bother me  
I'm alone, even with you  
I'm alone, so what do I do?

Alone in a crowd, alone in a crowd  
Alone in a crowd, alone in a crowd  
Alone in a crowd, alone in a crowd  
Alone in a crowd, whoa oh oh
