

Los Lobos, El Pato

(Traditional - English lyrics and arrangement by E. Rodriguez/G. Gutierrez)

Everybody calls me ducky, patito
Beacuse I live in the laguna, patito
Everybody calls me ducky, patito
Beacuse I live in the laguna, patito

Later when they see me coming, patito
They say here comes the duck sin pluma, patito
Later when they see me coming, patito
They say here comes the duck sin pluma, patito

[Chorus:]
Uy uy, uy uy uy, patitio
Uy uy, uy uy uy, patitio
Uy uy, uy uy uy, patitio
Uy uy, uy uy uy, patitio

Later when they see me coming, patito
They say here comes the duck sin pluma, patito
Later when they see me coming, patito
They say here comes the duck sin pluma, patito

A mi me llaman el pato, patito
Porque vivo entre el cenizo, patito
A mi me llaman el pato, patito
Porque vivo entre el cenizo, patito

Luego que me ven venir, patito
Ahi viene pato cenizo, patito
Luego que me ven venir, patito
Ahi viene pato cenizo, patito

[Chorus]

Luego que me ven venir, patito
Ahi viene pato cenizo, patito
Luego que me ven venir, patito
Ahi viene pato cenizo, patito

Everybody calls me ducky, patito
Because I live among the flowers, patito
Everybody calls me ducky, patito
Because I live among the flowers, patito

Later, when they see me coming, patito
They say here comes that duck of ours patito
Later, when they see me coming, patito
They say here comes that duck of ours patito

[Chorus]

And later, when they see me coming, patito
They say here comes that duck of ours patito
And later, when they see me coming, patito
They say here comes that duck of ours patito
