

# Los Lobos, It'll Never Be Over For Me

(Bobrick/Blagman)

I know you've come  
To tell me that it's over  
Oh, oh, well, all right  
I'll let you go free

But, baby  
Thought it may be over for you  
It'll never be over for me

Made up my mind  
Not to start crying, oh, oh  
But there's more  
Than the eye can see

'Cause, baby, inside  
My heart is breaking apart  
'Cause it'll never be over for me

I'll know every time  
I look up at a star, yeah, yeah

Your face is gonna come in view

And every time  
The wild wind touches my lip  
I'll think of your kiss  
And feel so blue

If ever you find  
That you were mistaken, oh, oh  
No matter how long  
That my heart beats

Just come on back  
Oh, forget about everything, yes  
'Cause it may be  
May be over for you, yeah  
But it'll never be over for me, oh, no
