

Los Lobos, Lonesome Tears In My Eyes

(John Burnette/Dorsey Burnette/Paul Burlison/Al Mortimer, arr. David Hidalgo)

[From the Paul Burlison album "Train Kept A-Rollin'"]

Oh, baby, baby, baby, blues or sorrow
And I love you tomorrow
Just suit you just fine
Oh, baby, baby, baby, blues or sorrow
And I love you tomorrow
Just suit you just fine

[Chorus:]
I can't forget that you told me
So many promises and lies
Well, now I'm trying to forget these
Lonesome tears in my eyes

You've broken my heart
Gonna do it again
I can't forget
The spell that I'm in

[Chorus]

Oh, baby, baby, baby, blues or sorrow
And I love you tomorrow
Just suit you just fine
Oh, baby, baby, baby, blues or sorrow
And I love you tomorrow
Just suit you just fine

[Chorus]
