

# Los Lobos, New Zandu

(David Hidalgo/Louie Perez)

Zandu cracked the tile  
With a pointed file  
Could be heard for miles

Diamond cut the glass  
Like a blade of grass  
Nothing made to last  
In the halls of Lu  
In the new Zandu

In the halls of Lu  
In the new Zandu

In the halls of Lu  
In the new Zandu

In the halls of Lu  
In the new Zandu

In the halls of Lu  
In the new Zandu
