

Los Lobos, Someday

(David Hidalgo/Louie Perez)

Someday I will go home
Someday I will go home
And I'll find peace in the house
Of my heavenly father
I will fear, fear no more

I know down in my heart
I know it won't be long
And I shall see the face
Of my savior
I will fear, I will fear
I will fear, pain no more

Someday, I will go home
Someday, I will go home
And I shall take the hand
Of my savior
I will fear, I will fear
I will fear, pain no more
I, I will fear, I will fear
Pain no more
