

Los Lobos, Tomorrow Never Knows

(John Lennon/Paul McCartney)

[From the Lonesome Pine/PBS Special "In The Spotlight: A Beatles Songbook"]

Turn off your mind, relax and float downstream
It is not dying, it is not dying

Lay down all thoughts, surrender to the void
It is shining, it is shining

Yet you may see the meaning of within
It is being, it is being

Love is all and love is everyone
It is knowing, it is knowing

When ignorance and hate mourn the dead
It is believing, it is believing

But listen to the color of your dream
Is it not living, it is not living

Or play the game "Existence" to the end
Of the beginning, of the beginning
Of the beginning, of the beginning
Of the beginning, of the beginning
