

# Los Lobos, Viking

(David Hidalgo/Louie Perez)

The last time I seen Viking  
He was about this tall  
With a tattoo  
Where a smile should've been  
Of his sweetheart's name  
Of his sweetheart's name

Do you remember Viking?  
He was about you and me  
With a big scar  
Where his heart should've been  
Inside his chest  
Inside his chest

Do you remember Viking?  
Do you remember Viking?

The last time I saw Viking  
He was about so tall  
With a tattoo  
Where his heart should've been  
He was about everything  
He was about everything  
Do you remember Viking?  
Do you remember Viking?  
I remember Viking
