

# Los Lobos, Walking Song

(David Hidalgo/Louie Perez)

[Chorus:]

She's got me walking, got me talking,  
Talking to myself. And I've got no money,  
Got no honey, trouble is all I have

It happened just the other night  
I had been out drinking and I was  
Feeling fine, but when I got home  
She was at the door, she had fire  
In her eyes.

So I tried to keep my cool, wasn't  
Much more that I could do.  
Then she let me have it right between  
The eyes and I knew our love was thru

[Chorus]

Now what is a man to do  
When a woman wants it all from you  
Says if you want to be my man  
Better quit that band and stop  
Acting like a fool

[Chorus]
