

Los Lonely Boys, Cottonfields And Crossroads

Well now baby I'm from Texas
And I'm just gonna let you know
I said baby I'm from Texas, little girl
And I'm just gonna let you know
'Bout the ways of life and livin', baby
On them cottonfields and crossroads

You wake up early in the mornin' darlin'
You can hear that rooster crow
You wake up early in the mornin' darlin'
You can hear that rooster crow
You can only find me baby
On them cottonfields and crossroads
I'm talkin' 'bout San Angelo, Texas, y'all!

Well someday I'm gonna go back baby
And I'm gonna live on my own there
Yeah someday I'm gonna go back baby
And I'm gonna live on my own
But you can only find us baby
On them cottonfields and crossroads
