

# Los Lonely Boys, Losing You

We were together for a little while.  
Holding you so tight I was so proud.

I could pick you from the crowd.  
And I said to the Lord please, help me out.  
I'm wishin' upon these fallin' stars.  
And spending most of my time in these parts  
Thinking of you and wishin' you were here  
Sailin' down and wastin' all my tears

Sittin' and knowin' someday we'll be through  
Facing the fact that I know I'm losing you  
I don't want to face the fact  
But I guess I'll have to take that chance  
Of losing you

## Bridge

And now I know that I was wrong.  
And I'm tryin' to make it here on my own.  
But now it does seem all alone  
It's easy to see that you're just all grown  
Thinking of you and wishin' you were here.  
Sailin' down and wastin' all my tears

Sittin' and knowing someday we'll be through  
Facing the fact that I know I'm losing you  
I don't want to face the fact  
But I guess I'll have to take that chance  
Of losing you

I don't want to face the fact, oh  
But I guess I'll have to take that chance  
Of losing you  
Of losing you
