

Loser, By my side

I wrote you a thousand letters all inside my head
I'd tell you how I'm sorry for all I didn't said
We crashed into one another everything we had
I want you to know that I have only one regret
I'd take back the times I hurt you
Every day you're gone is one too long
'Cause I need you here by my side
And I don't want to be alone, can you come home
'Cause I need you here by my side (by my side)
A photo is all that I have, memories in my mind
So close I can almost feel you, my favourite place in time
How I wish that I could find you
Every day you're gone is one too long
'Cause I need you here by my side
And I don't want to be alone, can you come home
'Cause I need you here by my side
How I wish that I could find you
Every day you're gone is one too long
'Cause I need you here by my side
And I don't want to be alone, can you come home
'Cause I need you here by my side
