

Lou Bega, Lonely

Just relax, enjoy yourself
I tell you about my perfect day

They're tellin' me the dos and don'ts
But nobody's askin' me what I desire
(I wanna be lonely)
No record company callin' in today
No stress, no drama, end of delay
(Alright, no delay)

I wanna be lonely
Oh yeah, I wanna be lonely
I just wanna be by myself
I wanna be lonely
Baby, I wanna be lonely
Finally alone

No mobile rings, no traffic jam
No date, no stress
And no one that wants my number
(Nobody callin' me today)

No contract deals
And no one that wants my money
Just for nothing
(Just relax by myself)

I wanna be lonely
Oh yeah, I wanna be lonely
I just wanna be by myself
I wanna be lonely
Baby, I wanna be lonely
I just wanna be by myself

Wonderful day, perfect day
The sun is shining in my face
Just five minutes maybe
But I'm only by myself

They're tellin' me the dos and don'ts
But nobody's askin' me what I desire
No record company callin' in today
No stress, no drama, end of delay

I wanna be lonely
Oh yeah, I wanna be lonely
I just wanna be by myself
I wanna be lonely
Baby, I wanna be lonely
I just wanna be by myself

I wanna be lonely
Oh yeah, I wanna be lonely
I just wanna be by myself
I wanna be lonely
Baby, I wanna be lonely
Finally alone

I wanna be lonely
Baby, I wanna be lonely
I wanna be lonely
Oh yeah, I wanna be lonely

I just wanna be by myself

I wanna be lonely
Baby, I wanna be lonely
I just wanna be by myself
