

# Lou Reed, Guilty (Spoken)

[Shadow 1:]  
Guilty

[Shadow 2:]  
Guilty

[Shadow 1:]  
I'm paralyzed with guilt  
It runs through me like rain through silk  
Guilty  
My mind won't leave me alone  
My teeth are rotted  
My lips start to foam  
Cause I'm so guilty

[Shadow 2:]  
Guilty  
Guilty

[Shadow 1:]  
Oh guilty  
What did I say  
What did I do  
Did I ever do it to you  
Don't turn your back  
I can't look you in the eye eye eye eye

[Shadow 2:]  
Eye eye eye

[Shadow 1:]  
I guess I am guilty as charged

[Shadow 2:]  
Guilty, guilty, guilty  
Guilty, guilty, guilty  
Guilty, guilty, guilty

[Shadow 1:]  
Don't do that

[Shadow 2:]  
Don't do what

[Shadow 1:]  
Don't do that  
Oh you're such a child  
Guilty  
What can I do  
I do it to you  
But I do it to me too  
Cut off my head  
Hang me from the yardarm  
Guilty  
I'm paralyzed with guilt  
I've got bad thoughts  
I've got an evil clit

[Shadow 2:]  
Guilty

[Shadow 1:]  
My mind won't leave me alone  
I've got a bad mind

I've got a bad bone

[Shadow 2:]  
Guilty  
Guilty as charged  
Guilty

[Shadow 1:]  
Don't do that

[Shadow 2:]  
Don't do what

[Shadow 1:]  
Don't do that  
Oh you're such a reckless child  
Do you remember when you were a baby  
Do you have a jury

[Shadow 2:]  
Yeah

[Shadow 1:]  
Do you have a verdict

[Shadow 2:]  
Guilty as charged  
Guilty  
Guilty  
Guilty as charged

[Shadow 1:]  
Do you have a verdict  
Do you have a verdict  
I'm guilty

[Shadow 2:]  
You're guilty

[Shadow 1:]  
Oh you're such a reckless child  
I should beat you  
I should hit you  
I will put you in therapy

[Shadow 2:]  
Guilty  
Guilty  
Guilty  
Guilty

[Shadow 1:]  
Hahahaha..
