

Lou Reed, In Our Sleep

In our sleep, as we speak
Listen to the drum's beat, as we speak
In our sleep, as we speak
Listen to the drum's beat, in our sleep

In our sleep, as we speak
Listen to the drum's beat, as we speak
As we speak, in our sleep
Listen to the drum's beat, in our sleep

In our sleep, as we speak
Listen to the drum's beat, as we speak
In our sleep, as we speak
Listen to the drum's beat, in our sleep

In our sleep ...
In our sleep ...
