Hey now there's a lovely girl

Hey now, there's a lonely boy  
and he's good, good looking for love, ha  
Hey now, there's a lovely girl  
and she's looking for some stud.  
She says, hey now, won't you give it to

give it, give it, give it to me, hey, hey, hey

Hey, hey, hey

want him around the world  
Hey now, there's a jet set store  
looking's good with some little pick up girl  
Hey now, you should scratch her back  
and you look good 'cause you're a boy  
Hey, hey now when you rip off my shirt

Kiss you, kiss you, kiss you good bye, ooh, baby, ooh

Give it to us, baby, now, yeah  
There goes my chest, groovy on my best, baby, hey, yeah
