

# Lou Reed, What Becomes A Legend Most

What becomes a legend most

- when she's alone in a hotel lobby

What becomes a legend most

- some bad champagne and some foreign bottled beer

What becomes a legend most

- when the musicians have come and then leave her

What becomes a legend most

- besides being a legendary star

What becomes a legend most

- lying in bed cold and regal

What becomes a legend most

- lying in bed watching a talk show on TV

What becomes a legend most

- Fifty days in fifty cities

Everyone says she looks pretty

At least as pretty as a legend should

Fifty days can wear you down

Fifty cities flying by

A different man in each different hotel

And if you're not careful, word can get around

What becomes a legend most

- when she's lying in her hotel room

What becomes a legend most

- well baby tonight it's you
