

# Louis Armstrong, Big Butter And Egg Man

Now she wants a butter an egg man  
From way out in the west  
She wants somebody who's workin' all day  
So she's got money when she wants to play

Now pretty clothes they'll never be mine  
But what she told me the other day  
I hope she don't change her mind  
Now she wants a butter an egg man  
A great big butter and egg man  
From way down south
