## Louis Armstrong, Give Me Your Kisses (I'll Give Y

Give me your kisses, I'll give you my heart Give me your promise that we'll never part I'll give you love and devotion High as the sky above, deeper than the deepest ocean

Give me the right to call you all mine And I'll be true till the ending of time Give me your kisses, I'm willing to start And I'll give you my heart

Give me the right to call you all mine And I'll be true till the ending of time Give me your kisses, I'm willing to start And I'll give you my heart
