

# Louis Armstrong, Stardust

Sometimes I wonder why I spend  
Such lonely nights  
oh baby lonely nights  
dreaming of a song  
The melody haunts my reverie  
And I am once again with you  
When our love was new, oh baby  
And each kiss an inspiration  
Now that baby you know was long ago  
Oh beside a garden wall  
When stars are bright  
You are in my arms  
The nightingale tells his fairy tale  
A paradise where roses bloom  
Though I dream in vain  
In my heart it will remain baby  
My stardust melody  
Oh memory oh memory oh memory
