

# Louis Armstrong, Way Down Yonder In New Orleans

Way down yonder in New Orleans  
In the land of the dreamy scenes  
There's a garden of Eden...you know what I mean

Creole babies with flashin' eyes  
Softly whisper their tender sighs  
Then stop....won't you give your lady fair...a little smile  
Stop..ya bet your life you'll linger there...a little while

We've got heaven right here on earth  
With those beautiful queens  
Way down yonder in New...Orleans

(instrumental break)

You're gonna find heaven right here on earth  
With all them beautiful queens  
Way down yonder in New Or.....

I goin' down yonder to New Orleans

It's way down yonder in New Orleans
