

# Louis Armstrong, When You're Smilin'

When you're smilin' keep on smilin'  
The whole world smiles with you  
And when you're laughin' oh when you're laughin'  
The sun comes shinin' through  
But when you're cryin' you bring on the rain  
So stop your sighin' be happy again  
keep on smilin' Cause when you're smilin'  
The whole world smiles with you  
Oh when you're smilin' keep on smilin'  
The whole world smiles with you  
Ah when you're laughin' keep on laughin'  
The sun comes shinin' through  
Now when you're cryin' you bring on the rain  
So stop that sighin' be happy again  
keep on smilin' Cause when you're smilin'  
And the whole world smiles with you  
The great big world will smile with  
The whole wide world will smile with you
