

# Louis Armstrong, When You're Smiling (The Who)

When you're smilin'....keep on smilin'  
The whole world smiles with you  
And when you're laughin'....keep on laughin'  
The sun comes shinin' through

But when you're cryin'.... you bring on the rain  
So stop your frownin'....be happy again  
Cause when you're smilin'....keep on smilin'  
The whole world smiles with you

Oh when you're smilin'....keep on smilin'  
The whole world smiles with you  
Ah when you're laughin'....keep on laughin'  
The sun comes shinin' through

Now when you're cryin'.... you bring on the rain  
So stop that sighin'....be happy again  
Cause when you're smilin'....just keep on smilin'  
And the whole world gonna smile with

The great big world will smile with

The whole wide world will smile with you
