## Louis Prima, Old Black Magic

Old black magic has me in its spell Old black magic that you weave so well Those icy fingers up and down my spine The same old witchcraft when your eyes meet mine

Same old tingle that I feel inside And then that elevator starts its ride Down and down I go Round and round I go Like a leaf caught in the tide

I should stay away but what can I do I hear your name, and I'm a flame Flame, burning desire That only your kiss Put out the fire

For your the lover that I've waited for Your the mate that fate had me created for And every time your lips meet mine

Baby down and down I go, round and round I go In a spin, loving the spin that I'm in Under that old black magic called love Ooh in a spin, lovin the spin I'm in Under the old black magic called love In a spin, lovin the spin I'm in Under the old black magic called love

I should stay away but what can I do I hear your name and I'm a flame Flame, burning desire That only your kiss Put out the fire

For your the lover I have waited for Your the mate that fate had me created for And everytime your lips meet mine

Baby down and down I go, round and round I go In a spin, loving the spin that I'm in Under that old black magic called love Ah, in a spin, lovin the spin I'm in Under the old black magic called love In a spin, lovin the spin I'm in Under the old black magic called love

Under the old black magic called love!
