

Louis Tomlinson, Always You

I went to Amsterdam without ya
And all I could do was think about ya
And oh, oh , ho
I should've known

I went to Tokyo
To let it go
Drink after drink
But I still felt alone
I should've known

I went to so many places
Looking for you in their faces
I could feel it, I can feel it

I am wasting my time
When it was always you
Always you
Chasing the high
But it was always you, always you

Should have never let you go
Should have never let you go
My baby
go oh oh
oh oh oh

I went from LAX to Heathrow
Walked through my door
But I found nothing like home
Cos you're not home

When you wrap your legs around me
And I know you hate the smoke
Without me
And oh oh oh, now you know

I am wasting my time
When it was always you
Always you
Chasing the high
But it was always you, always you

Should have never let you go
Should have never let you go
My baby
go oh oh
oh oh oh
Should have never let you go
Should have never let you go
My baby
go oh oh
oh oh oh

I went to so many places
Looking for you in their faces
I could feel it, oh I can feel it

Wasting my time
When it was always you, always you
I was chasing the high
It was always you, always you
