

# Louis XIV, Swarming Of The Bees

I'm free as the bees  
I do as I please  
In the days, between the hours  
I'll build you up, like ivory towers

Go down  
Watch'em all fall down  
Watch'em all fall down  
Watch'em all fall down

'Cause your outta my head some  
Lick the wounds off your lips  
Confuse you with your conscience  
Perverse you with a hiss

Well swarm, baby swarm  
Pack your bees, into the hive  
You're a mouse, in the field  
When the hawk, ready to dive

Down  
Watch'em all fall down  
Watch'em all fall down  
Watch'em all fall down  
Watch'em all fall down
