

Louise, All Of You

(by climie, noel and george)

I don't need to look any further
I know what I want
And I've found it in you
In my heart there's no other lover
Can make me feel the way you do

My body's so hot at night
Gotta find a way to make it right
Stay with me
Baby tonight

I gotta have all of you
(all of you)
I can't wait forever
I can't wait forever

I gotta have all of you
(all of you)
Boy it's now or never

You keep lookin' over your shoulder
You're gonna miss what's in front of you
And before you know it it's over
You've already lost what's too good to lose

Hangin' in
Hangin' tough
Have your love
It just ain't enough
Stay with me
Baby tonight

I gotta have all of you
(all of you)
I can't wait forever
I can't wait forever

I gotta have all of you
(all of you)
(gotta find a way to make you mine)
Boy it's now or never

In in in ah
In in in ah
In in in ah
In in in ah
In in in ah
In in in ah

I gotta have all of yooooou
(all of you)
I can't wait forever
I can't wait forever

I gotta have all of you
(all of you)
Boy it's now or never

I gotta have all of you
(my body's so hot at night)
(all of you)

I can't wait forever
(gotta find a way to make you mine)

I gotta have all of you
(my body's so hot at night)
(I gotta find a way to make you mine)
Boy it's now or never
Gotta find a way to make you mine

I gotta have all of you
Hangin' in
Hangin' tough

I can't wait forever
Forever

I gotta have all of you
Hangin' in
